

EQUIPMENT UPDATE

Date: 6/24/03

Log Number: EU-06-02

Part: Rinse Arm-CMA-180 and CMA-180UC

Models Affected: CMA-180 and CMA-180UC

New Part Number: 304.19

Old Part Number: Same

COMMENTS: rinse arm has one extra rinse jet to improve rinse performance. The rinse arm bearing is sealed to direct more water flow to rinse jets and increasing the speed of the arm.
