

# EQUIPMENT UPDATE

**Effective Date:** 10/1/05

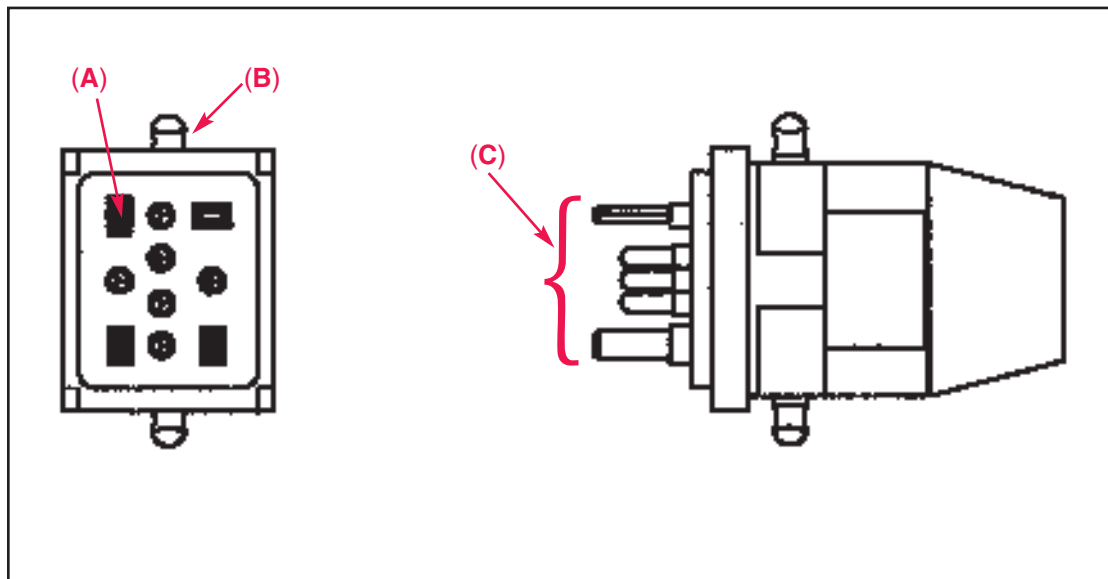

**Log Number:** EU-10-368

**Part:** L-1X16 and L-1X Machine Harness Plug

**Models Affected:** L-1X & L-1X16

**New Part Number:** 04415.00

**Old Part Number:** 04414.10

## **L-1X MACHINE HARNESS PLUG**

Improvement: New style 10 position plug has been updated with heavy duty, high-current connectors. The locking feature of the molded plug provides secure and water tight connection. The new connecting terminals reduce oxidation which can cause equipment malfunction.
