

# EQUIPMENT UPDATE

**Effective Date:** JANUARY 1, 2008

**Log Number:** EU-07-393

**Part Description:** Dema Valve: 03604.00

**Model Affected:** 180UC, E-MODEL AND EVA MODEL SERIES

CMA will soon begin manufacturing the model 180UC, E and EVA series dishmachines with a stainless steel DEMA Water Valve. Each valve will come with one extra diaphragm kit located inside the valve coil cover for quality assurance back up. CMA believes this **NEW** DEMA stainless water valve is a major improvement to our product. It will prevent potential service calls. Other CMA models will have the **NEW** Dema Water Valve installed in the spring of 2008.
