

EQUIPMENT UPDATE

Effective Date: APRIL 1, 2008

Log Number: EU-08-397

Part Description: OPTIONAL DOOR SWITCH SHIELD PN# 00562.70

Models Affected: ALL STRAIGHT THRU MODELS

Field reports indicate under certain conditions that the **“Door Safety Switch”** may be subject to water spray from the pre-rinse assembly (when the soil table is located on the left side of the machine).

CMA has created an Optional **Door Switch Shield** to protect and minimize moisture contact with the **Door Safety Switch**. To install: remove existing bolt and nut hardware from door guide and install shield. Replace bolts and nut hardware.
